

## 024TL and 026TL Savings Comparison

Green Bay Packaging's 2.4 mil white top coated BOPP (024TL) offers savings to you and your customer.

Our 024TL is the same Label-Lyte™\* material you have trusted for years - just a bit thinner. So you can expect the same results.

- Same pearlescent look.
- Same converting characteristics.
- Same printability.

With our lighter weight 2.4 mil white Label-Lyte you save money on shipping costs.

Weight Per MMSI with 102 Adhesive		
	2.4 Mil Label-Lyte (024TL)	2.6 Mil Label-Lyte (026TL)
