Katherine Brinton Joins Green Bay Packaging Baltimore

HUNT VALLEY, MD— August 16, 2016 – Green Bay Packaging (GBP) is pleased to announce that Katherine Brinton has recently accepted the position of Sales Executive for the Baltimore Division.

"I'm thrilled to be joining Green Bay Packaging," remarked Katherine Brinton. "I'm looking forward to being a part of the Baltimore Division and supporting their growth strategy to enhance its strong position in the market." In her new position, Brinton is responsible for developing and strengthening new and existing customer relationships for business in the Baltimore and Mid-Atlantic market.

Brinton comes to GBP with nearly 10 years of corrugated sales experience. Outside of her position as an account manager, Brinton has had a broad range of experiences from packaging sales to event planning and corporate gift giving. She has utilized her skills to foster B2B and B2C sales and relationships.

"Katie is a great fit for Green Bay Packaging's Baltimore Division," states Dave Pollock, General Manager of the Baltimore Division. "She has extensive knowledge and experience successfully solving the packaging challenges of customers across multiple industries"

About The Baltimore Division

At Green Bay Packaging's Baltimore Division, we blend knowledge and skill with creativity to develop, manufacture, and deliver revolutionary industrial and retail corrugated packaging products. We are transforming the industry in our region by raising the bar in the arenas of quality, graphics, and creativity. Our landmark achievements have added value for our customers, with greater profitability, reduced waste, and improved quality. In addition to offering outstanding design and a wide array of production capabilities, GBP Baltimore provides highly skilled and talented associates that play a vital role in providing a service that strengthens our customer's ability to compete in the marketplace.

About Green Bay Packaging Inc.

Started in 1933, Green Bay Packaging is a family-owned, vertically integrated company consisting of corrugated container plants, folding cartons, recycled and virgin linerboard mills, pressure-sensitive label roll stock, specialty converting operations, timberlands, and a sawmill facility. Headquartered in Green Bay, Wis., Green Bay Packaging Inc. is dedicated to innovative development of its products and forestry resources, with a focus on quality, sustainability and continuous improvement throughout all of its manufacturing facilities in 14 states.
